What to do???

Promote

1. Have student's fill out all forms.

The registration form is to be signed by the pastor of your church. It is your responsibility to make your pastor aware that when he signs the form he is stating that the student has been faithful to attend your church for at least the last 30 days.

The Medical release form must be notarized.

2. Team rosters must be completed.

Make certain that each person on the roster has filled out an application form.

If someone will be playing on your team from another church it is important for you to let them know that they must fill out the application to be included in competition.

All teams must be included on a roster.

If you do not have enough people to make a team and know that your students are already on a roster of another church make a note of that on the registration form.

If you do not have enough people to make a team and do not have a team for them to play on please fill out a roster for them even if they are the only player listed on the roster. This will help us get the teams divided more quickly.

3. Please include a list of all students and sponsors on the sheet provided
4. **Please send only one check from the church for all registrants from the church.**
5. Provide each of your sponsors with a copy of the *Sponsor Responsibility List*
6. Be aware that this year you will need to make you own hotel and meal accommodations.

When you arrive for registration please follow these simple instructions

- 1 Registration will be in the foyer at Ferguson Church of the Nazarene.
- 2 We only need **one adult representative** from each church to register everyone from your church.
- 3 Please be prepared with a list of everyone who you are registering.

MAX registration form and medical release has been included. Mid-America has changed the requirements for attending MAX. **Anybody** who would like to participate at MAX this year will be able to; they do not have to qualify, except for Bible quizzing.
